

# A Time of Heightened Uncertainty in Higher Education

Your higher education cup shaken by hazards,  
 polycrises & disruptions? a time to react *à la Française*:  
*« un bon café (coffee), du sucre de canne (sugar cane)  
 & du lait entier (creamy ilk) »*  
 with a European spoon to spearhead curriculum transformations.

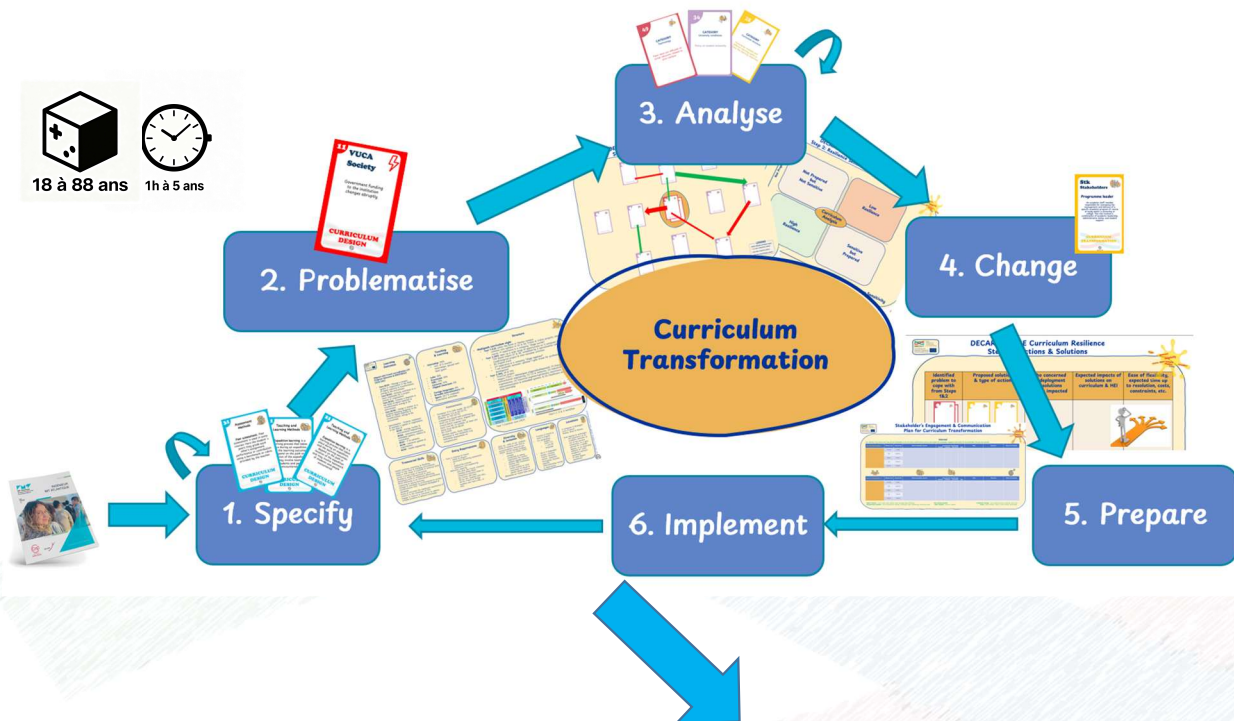

DECART: Designing higher Education Curricula  
 for Agility, Resilience & Transformations  
 Serious tools, with boards & cards, for programme leaders & decision makers:

1. CAFE: Creative, Agile & Flexible Education design;
2. SUCRE: Serious game for University Curriculum Resilience;
3. LAIT: Leadership, Alignment, Influence & Transformations.
